HO'OKELE I NA WAI MAOPOPO 'OLE
"NAVIGATING UNCERTAIN WATERS":
CHARTING THE FUTURE OF HEALTHCARE

Like the wayfinders who read the stars and swells to chart a course through uncharted seas, we face healthcare's shifting challenges with courage, resilience, and kuleana.

Join local and national experts (such as Dr. Tim McDonald, a nationally recognized expert on disclosure and patient safety) for a 2-day in-person educational conference as we embark together on this voyage — steering with purpose, navigating the unknown, and shaping a future of excellence in patient safety. Together we navigate toward a future of safer, more compassionate healthcare.
